Introduction

The Berkshire Hospice Lottery is dedicated to raising funds to improve palliative hospice care in Berkshire and surrounding areas for patients with life-limiting diseases. By joining this lottery you are helping fund day therapy, the family bereavement service, personal equipment loans, specialist equipment, psychology support, the chaplaincy, the dietician, complementary therapists and much more—as well as having the chance to win big cash prizes!

What are the prizes?

There is a guaranteed weekly top prize of £750, a £100 rollover prize (maximum value of £5,000), one weekly guaranteed £50 and five guaranteed £20 prizes. Join now to have a chance to become a lucky winner!

Who Can Play?

Any member of the public over 16 and resident in the UK is invited to play our lottery. If you want to have the chance to win from our monthly £4000 prize fund (at very good odds) and help local patients and their families suffering from life-limiting diseases, then this is the lottery for you!

How it Works

For just £1 per week you will be allocated a unique six-digit Berkshire Hospice Lottery number, which will remain yours for as long as you wish to keep playing. (If you want, you can buy more than one entry). Each week the BHL computer selects the lucky winners at random and then issues the prize cheques to be posted directly to you—no need to claim. Winning numbers will be notified to selected local media and will be published on our website. Full terms and conditions available on request. Your entry confers acceptance of these rules. Please also see our policy on responsible gambling. Member of the Lotteries Council.
